

Founded in 1988, **Long Island Employee Benefits Group Ltd.** is a full-service employee benefits consulting and pension administration firm. LIEBG provides our clients with the best-in-class strategic products and services. These innovations provide cost-effective solutions while delivering exceptional service to make the most of our clients' benefits budgets. By crafting individual client solutions, we tailor plans to improve our clients' and their employees' benefits experiences.

### Long Island Employee Benefits Group's scope of services include:

#### **Retirement Plans**

LIEBG is a specialist in the area of pension administration and creative plan-design solutions to accomplish varied business objectives. These plans include 401(k), 403(b), 457(b) & (f), Profit Sharing, Money Purchase, Defined Benefit, Cash Balance, Deferred Compensation, Cafeteria/FSA, Prevailing Wage, ESOP, and Church.

#### **Health Insurance**

LIEBG specializes in creative and cost-effective healthcare solutions to fit your company's and employees' needs. Combining the latest products and our vast knowledge, we are able to craft custom plan designs for each of our clients. We work with all of the major carriers to find the solution that fits our client best. Our model allows us to remain objective and agile in today's dynamic healthcare market.

#### **Specialty Product Benefits**

LIEBG helps its clients find the right mix of employer-paid Dental, Life, Disability and other specialty coverages to make their non-health benefits package competitive within their industry and fit with their overall benefits strategies.

#### **Voluntary Benefits**

Employers are increasingly looking for ways to add to their benefits packages without adding to their bottom-line costs. LIEBG brings expertise and ingenuity to employee-paid benefits with a wide array of options available to its clients. Voluntary Benefits are the largest growing segment of the employee benefits market.

#### **LIEBG Distinct Services Advantage**

LIEBG's dedicated partner law firm - Vaccaro & Prisco, LLP - provides benefits-related legal services and compliance expertise. This in-house legal presence positions LIEBG clients at a clear advantage in an increasingly complex regulatory environment by providing, among other services, ERISA and Labor law compliance.

LIEBG's integrated capacities across these areas allow us to be a trusted advisor for benefits strategy and a valued partner with regard to the client's benefits-related administrative and HR capacities.

#### **LIEBG Service Model**

Having front-end support and knowledge starts the process of our strategic relationships with our clients, but the strength of our relationships are built around our service model. Accessibility, Knowledge and Client Support are the pillars that LIEBG prides itself on. These three components are the keys to why our client retention rate is extremely high. This strategic focus has proved to be our winning formula in our long-standing client relationships.

LIEBG leverages these 20+ years of resources and skills to create a truly full-service benefits consulting firm that few can match. This deep array of services is why LIEBG is a leader in the employee benefits arena.

*Let LIEBG show your company the new standard in employee benefits consulting.*
